BUSINESS EXPERIENCE

- 2020 - 2020 ARISTIDES CAPITAL, Toledo, Ohio**
Long/Short Equity Hedge Fund
Research Analyst
 - Pitched Aristides' #1 short position in June (NKLA warrant arbitrage), returning \$4.6M, or 592 bps of AUM.
 - Detected "stealth dilution" in distressed short positions by creating fully-diluted shares outstanding models.
 - Ran multiple valuation models for potential long-term investments including DCFs, RoIC, and public comps.
 - Analyzed Cryoport's Blackstone-backed acquisition of MVE Biological for a potential merger arbitrage trade.
- 2019 - 2019 J.P. MORGAN SECURITIES, Cincinnati, Ohio**
Private Bank (Asset Management)
Summer Analyst
 - Performed fundamental equity research & advisory for the Private Bank (rotation on HY bond trading desk).
 - Prepared a pitch deck for a private equity investment resulting in a \$10M inflow from a University endowment.
 - Created a dynamic DCF model for SPG distributed to all sophisticated clients with holdings of over \$10M.
 - Received an offer to join the Private Bank full-time as an analyst upon graduation.
- 2018 - 2018 THE RITZ HOTEL, London, United Kingdom**
Finance Department
Summer Intern
 - Performed financial planning & analysis for 6 out of 9 accounts receivable & reported to head controller.
 - Accelerated outstanding voucher tracking process via advanced VBA Macro programming in Excel.
 - Projected then presented YTD & MTD revenue to upper management using discounted cash flows analysis.
